## الكشف التخميني الخاص لشراء الاجهزة الطبية بنكهى تهندروستى نازادى

Price(IQD)	qty	item	No
	1	Otoscope with rechargeable battery Features:	1
		Maintenance-free, because no lamp replacement necessary	
		Can be dimmed	
		Automatic switchoff after 3 minutes	
		Optimized design of head	
		Pivoting 3-fold magnifying glass with locking function	
		Insufflation port for pneumatic test	
		Two-component handle (aluminium/fibre-glass reinforced)	
		Electronic ON/OFF push-button switch Specifications:	
		LED life expectancy (approx): 100.000 hours by constant current drive	
	MA ST	Intensity of illumination (approx): 10.000 Lux	
		Colour temperature (approx): 4.000 K	
		Power supply: 2x AAA Alkaline batteries	
		Incudes 20 disposable ear specula, grey, 10 x 2.5 mm and 10 x 4.0 mm	
		Origen: Europe ,USA, Japan	
	1	ECG	2
		12- channel ECG which has made a lot of improvement in the key ECG technologies of quickness	
		Accuracy and stability	
		fast waveform display and right- level of filtering	
		for the hospitals and busy clinics where ECG volume is	
		high speedy and quality demanding 8.9 inch TFT LCD	
0		paper ECG , Bottle jell	
0		Origin/Europe ,USA, korea
